INDIAN INSTITUTE OF PACKAGING

The Indian Institute of Packaging is an apex body of the packaging industries in India. Ceaselessly working since 1966 with the active support of packaging and allied industries and Ministry of Commerce & Industry, Govt of India. The Institute is dedicated to serve the nation and the industry to achieve excellence in packaging. The facilities and services offered by the institute are aimed at making existing modes of packaging perform better and developing new packaging to meet the demands of present and new markets. The diversified activities of the institute encompass the entire spectrum of the packaging including Research, Library and Data Base Services.

The Institute is closely linked with International Organizations Like as World packaging Organization Line as World Packaging Organization (WPO), Asian Packaging Federation (APF). The services are recognized by the UNIDO (United Nations Industrial Development Organisation) and ITC (International Trade Centre), the Commonwealth Fund for Technical Co-operation (CFTC) and the European Economic Community (ECE)

The Head Office at Mumbai and the Four Branches of the Institute at Kolkata, Delhi, Chennai and Hyderabad are also connected with packaging.

CONFERENCE

The packaging Industry is one of the fastest growing segments in India. The food & Beverage Industry, which is the largest user of packaging and the Healthcare Industry, offer the packaging industry excellent innovative and attractive packaging opportunities. There is a dramatic increase in demand and significant expansion of product varieties in both these segments.

Food processing and packaging backed with improved post harvest technologies have been identified as a significant need and considerable infrastructures are being built towards the same. Emergence of a large number of Supermarkets, Hypermarkets, retail outlets, self service stores and Shopping Malls have also laid considerable emphasis on branding and packaging. The Government and its agencies have promoted a number of support schemes of the growth for the growth of this sector.

The Symposium is aimed to promote new packaging technologies involving Materials & Machinery, Market assessment strategies on value addition through packaging and graphics increase hygiene and safety, optimized cost structure and latest trends and innovations in packaging options.

The Symposium will be addressed by eminent speakers not only from India but also from Germany and U.K.

WHO SHOULD PARTICIPATE?

Participants could be:

- From Food Processing Industries, Beverages, Phamaceutical & other Healthcare Products or any Packaging user Industries.

Packaging Technology and Innovation - A Recipe for Growth

Day 1 15th March, 2016 (Tuesday)

KEY NOTE SESSION

Packaging Strategies

- Brand Enhancement Through Smart Packaging
- Staying Ahead of Counterfeit in Packaging - Presentation
- Packaging Trends & Innovations-An Overview

PLENARY SESSION - I

Techniques & Technology - Packaging Raw Materials

- Polyolefin Resins - Recent Developments
- High Density Polyethylene - Opportunities & New Applications
- PET - A Versatile Packaging Material

TECHNICAL SESSION - II

Techniques & Technology

- In-Mold- Label Technology - Cost Effective Greening of Operations
- Bulk Filing Technology

Research Conclave

PRESENTATION OF TECHNICAL / RESEARCH PAPERS ON PACKAGING
BY REASEARH SCHOLARS

Day 2 16th March, 2016 (Wednesday)

TECHNICAL SESSION - I

Techniques & Technology Session Chairman :

- Bottles & Caps Technology - Emerging Trends
- Low Weight Closures - A New Concept in Compression Molding in Cost Saving
- Latest Developments in Self Adhesive Labelling Technology

KEY NOTE SESSION

Packaging Application - Trends & Developments Session Chairman:

- Flexible Packaging - Sustainability & Challenges
- Speciality Paper & Its Application - New Dimension
- Tin Plate Containers as a sustainable Packaging Material - Recent Innovation & Developments
- Glass Packaging - Recent Developments
- Innovation of Lami Tube for Food Packaging Application

PLENARY SESSION - I I

Techniques & Technology - Trends in Consumer Packaging

- Tea Packaging for Retail Market and Export - Challenges Ahead
- Packaging of Edible Oils - Recent Trends
- Food Packaging - Global Trends
- Pharmaceutical Packaging - Current Trend & Innovation

PLENARY SESSION - III

Techniques & Technology Session Chairman:

- Staying Ahead of Counterfeit in Packaging - Presentation 2
- Corrugated Packaging - Global Trends & its Influences on Modern Retail

Eminent Speakers

Mr. Ashwini Kumar

Chief Technologist - Design & Packaging
M/S. ITC Limited, Kolkata

Mr. Harpal Singh

Director - ACG Inspection Systems

Mr. Debabrata Deb

Director - Future Formats, Vadodara.

Speaker from

M/S. Dow Chemicals International India Pvt Limited, Mumbai

Mr. Raj K. Dutta

M/s. Haldia Petrochemicals Ltd

Dr. Vijay G. Habbu

Consultant - PET Container Manufacture's Association

Mr. Prasant Trivedi

Head - Innovation & Product Development
M/s. Kesoram Industries Limited

Mr. Vagish Dixit

Managing Director, M/S.ALPLA India Pvt. Ltd. Hyderabad

Mr. Rajesh Sharma

Business Unit Director, Closures & Containers
